## Gain Skills for a First Job While You Study at University

The Saigon Coffee Academy is a professional skills training academy that provides coffee training to individuals that wish to acquire strong foundational skills in becoming a professional barista. We provide professional level training using the latest equipment and techniques. Each training session lasts for 3 hours in one of our training rooms or in the Saigon Coffee Academy lab.

### Our promise:

1. Professional level certified training
2. Over 75% of training time will be hands-on skills development with a training professional
3. Maximum of 6 students per trainer in a class

### Certified Barista Training
